SUPPLEMENTARY INFORMATION:

I. Additional information about the proposed consent decree.

This proposed consent decree would potentially resolve lawsuits consolidated in the United States District Court for the District of Columbia that were filed by the following plaintiffs: American Lung Association and National Parks Conservation Association (Civil Action No. 1:12-cv-00243-RLW), and the State of New York, et al. (Civil Action No. 1:12-cv-00531-RLW). Plaintiffs filed the lawsuits under the Act alleging that EPA has violated a nondiscretionary duty under the Clean Air Act, 42 U.S.C. 7409(d)(1), to complete a five-year review of the NAAQS for particulate matter. Under the terms of the proposed consent decree, EPA agrees that no later than December 14, 2012, EPA shall sign a notice of final rulemaking setting forth its final decision pursuant to 42 U.S.C. 7409(d)(1) concerning its review of the NAAQS for particulate matter and promulgating such revisions to the NAAQS and/or promulgating such new NAAQS as may be appropriate in accordance with 42 U.S.C. 7408 and 7409(b); that EPA shall seek expedited publication in the Federal Register of the notice of final

rulemaking; and shall establish the effective date of the final decision such that any final rule shall become effective, barring intervening congressional or judicial action, on the earliest date that complies with the Congressional Review Act, 5 U.S.C. 801 *et seq.*

For a period of thirty (30) days following the date of publication of this notice, the Agency will accept written comments relating to the proposed consent decree from persons who were not named as parties or intervenors to the litigation in question. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determines, based on any comment submitted, that consent to this decree should be withdrawn, the terms of the consent decree will be affirmed.

II. Additional information about commenting on the proposed consent decree.

A. How Can I Get A Copy Of the Proposed Consent Decree?

The official public docket for this action (identified by Docket ID No. EPA-HQ-OGC-2012-0474) contains a copy of the proposed consent decree. The official public docket is available for public viewing at the Office of Environmental Information (OEI) Docket in the EPA Docket Center, EPA West, Room 3334, 1301 Constitution Ave., NW, Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the OEI Docket is (202) 566-1752.

An electronic version of the public docket is available through www.regulations.gov. You may use the www.regulations.gov to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, key in the appropriate docket identification number then select “search”.

It is important to note that EPA’s policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing online at www.regulations.gov without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. Information claimed as CBI and other information whose disclosure is restricted by statute is not included in the official public docket or in the electronic public docket. EPA’s policy is that copyrighted material, including copyrighted material contained in a public comment, will not be placed in EPA’s electronic public docket but will be available only in printed, paper form in the official public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the EPA Docket Center.

B. How and To Whom Do I Submit Comments?

You may submit comments as provided in the **ADDRESSES** section. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked “late.” EPA is not required to consider these late comments.

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of

your comment and with any disk or CD ROM you submit. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the www.regulations.gov website to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an "anonymous access" system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment. In contrast to EPA's electronic public docket, EPA's electronic mail (e-mail) system is not an "anonymous access" system. If you send an e-mail comment directly to the Docket without going through www.regulations.gov, your e-mail address is automatically captured and included as part of the comment that is placed in the

official public docket, and made available in EPA's electronic public docket.

Associate General Counsel.
